ARE YOU READY?

Excursion Highlights at Aldenham School

London: The London Experience Programme included at Aldenham provides 2 afternoon visits into the capital including one extended trip per week with a free full-day excursion for groups staying for 2 or more weeks.

Oxford: This historic town is the home of the world's oldest English speaking university, with its famous colleges, libraries and museums. Includes a tour of the university district and entrance to a university college.

Cambridge: This visit to England's other great university city includes a tour of the beautiful architecture and majestic college buildings with punting along the River Cam.

Brighton: England's premier seaside resort, often called "London by the sea". Brighton has a long beach, fish 'n' chip shops, a lovely Victorian pier, and the old lanes provide a maze of small shops and cafes to explore. Includes visit to the famous Royal Pavilion.

Activity Programme Highlights at Aldenham School

Rounders: A traditional bat & ball game that has been played in English schools for centuries and is the ancestor of baseball.

Capture The Flag: An outdoor adventure game where 2 teams each have a flag to protect. The objective is to capture the other team's flag located in their base, and bring it safely back to their own base.

Trashion Show: Trashion is a term for fashion that is created from used materials that may be thrown away. Students will create their own 'Trashion' outfits ready to be presented on the catwalk.

Murder Mystery: A fun role-play game in which a fictional character is 'murdered' and players have to hunt for clues and question suspects to solve the crime.

Ultimate Frisbee: A non-contact sport with 2 opposing teams. Each team scores points when they successfully pass the Frisbee to a member of their team in the 'end zone'.

Haka: A traditional war cry and dance, or challenge from the Maori people of New Zealand, famously performed by the NZ team before international rugby matches. Students learn and perform their own Haka!

Dragon's Den: Based on the TV show of the same name, in teams, students invent a product and present it to a panel of businessmen/women, hoping for investment in their product.

British Bulldog: A traditional tag-based game often played in playgrounds at schools. Players must get from one side of the field of play, to another, without getting caught by the 'bulldog'. If caught, that player also becomes a 'bulldog'.

Zombie Apocalypse: Students must solve puzzles and defeat the zombies that have taken over summer school!

Stop Motion Animation: An animation technique that manipulates an object to make it appear to be moving on its own. Students will be creating their own short films with simple cameras using this technique.
